

Give your students the resources to go places. Safely.

The Education Portal is provided by NZ Transport Agency Waka Kotahi so teachers can easily integrate relevant road safety skills and knowledge into classroom learning.

Some of our most popular resources

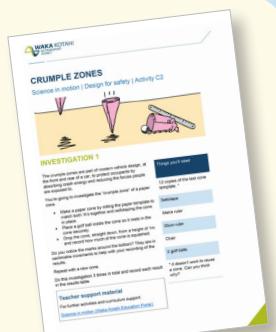

Worksheets

Easy bite-sized lessons which give students progressive road safety learning. Bundled for Years 1-2, Years 3-4, Years 5-6, Years 7-8 and Years 9-10. English and te reo Māori.

Science in motion

Hands-on activities that support big ideas in science while developing a road safety theme. Instruction sheets and TSM for classes in Years 1 to 10.

Why use the Education Portal?

Safe travel is an important part of every young person's life. With your support, students progressively develop the capabilities to keep safe on everyday journeys including the route to school. Our resources provide easy and effective ways to make this happen.

Secondary maths

Statistical inference units include data sets and PowerPoints to support report writing. Contexts of vehicle stopping distances and driver distraction.

Hike it, bike it, scoot it, skate it

Leaflet covering what parents and whānau need to teach children about staying safe near roads and railways. Kerb drill included.
